ABOUT

The Training & Placement Cell of SPTM, Dhule bridges the gap between industry and academia. We focus on building strong corporate relationships, enhancing employability skills, and providing career guidance to help students achieve their professional goals.

OBJECTIVES

Build and maintain relationships with corporates and startups.

Enhance employability skills aligned with current industry and market requirements.

Promote entrepreneurship, higher education, and professional development.

Guide students in achieving career goals through counseling and mentoring.

Prepare students for placements through mock drives and skill development initiatives.

Stay aligned with market trends through regular industry interaction and visits.

Invite industry professionals for guest lectures and knowledge sharing.

Facilitate placement opportunities for all the students of various programs.

ACTIVITIES

- ✓ Organize campus placements, internships and pre-placement talks.
- ✓ Arrange guest lectures, workshops and industry visits.
- ✓ Maintain recruiter and student databases.
- ✓ Conduct mock interviews, GDs and aptitude tests.
- ✓ Support alumni networking and communication.
- ✓ Conduct career development programs and placement readiness sessions.
- ✓ Provide training in soft skills and resume building.
- ✓ Offer career guidance and counseling.
- ✓ Track placement data and improve processes.
